*New England's Largest  
Rare Coin Dealership*

**QUALITY —**  
If You're Lucky, You Get What You Pay For.

Let's face it....not all dealers grade the same. But not all dealers price the same either. So what's the difference between an \$850 Gem BU Barber Half Dollar for \$850, and a \$550 "Gem BU" Barber Half Dollar for \$550?

Answer: PLENTY! First of all, either one of them is better than a \$550 "Gem BU" Barber Half Dollar for \$850 or even \$695. (There's plenty of that going around as well.) But the real question is, are you getting the coin you want in the exact grade you order it? We believe that true MS-65 coins are a better long-term investment than MS-60 coins—even at MS-60 prices. Therefore, if you order a coin in MS-65 condition, you're entitled to receive a true, properly graded MS-65 coins, and nothing less.

We offer a strong grading guarantee, which is a step in the right direction. But it still isn't enough.

We want you to know the difference. Compare our coins with those ordered from other dealers. Show these coins to other knowledgeable numismatists. And let us show you how to educate yourself on grading. Because the more you know, the better our coins will look to you.

WE TELL YOU WHAT THE COIN TELLS US, Consistently.... Exactly. It's the only way we keep your confidence.

Thank you for your continued support.

Sincerely,

Jim Halperin, President

## THE NERCG GRADING GUARANTEE

A MEANINGFUL GUARANTEE BACKED BY CAREFUL GRADING

Any coin purchased from New England Rare Coin Galleries after December 31, 1975 will conform to the official standards of the American Numismatic Association's Grading Board as soon as the Board is operational. Mention of all significant defects on coins offered are to be included in these standards. We guarantee to replace and/or issue a refund for any coin which does not meet the standards of the Board, within 30 days of our notification of the Board's decision.

Should a coin sold by NERCG fail to meet with the Board's standards, we will do one of the following:

- (1) Refund the complete purchase price as well as the Grading Board fees and all postage, or
- (2) Find you a suitable replacement and still refund the Grading Board fees and all postage.

The authenticity of all coins sold by New England Rare Coin Galleries is permanently guaranteed. As proof of our certainty that no non-authentic coin will ever escape our notice, we guarantee not only full refund, of course, but an additional payment of 10% of sale price per year.

We further guarantee to fully and accurately describe any serious nicks, scratches, cleaning, polishing, weak strikes or any other other serious impairments.

In our opinion, grading should NOT be a matter of opinion. However even the most experienced and careful grader will make some mistakes. All members of our staff, therefore, have been instructed not to offer for sale, or to send out any coin, unless they agree with the grading

#### EARLY HALF DOLLARS

1796 15 STARS, CH. AU(55). Don't let our conservative grade fool you — this is traditionally one of the most overgraded of all U.S. type coins. The present coin is Fully prooflike with Full denticles and partially raised edges. Attractive blue-green toning. Exceptionally well struck with 100% full hair detail, stars, wing and tail feathers and eagles head. Nearly 50% full breast feathers. No adjustment marks or defects and probably no actual wear; just the barest of friction in the fields and on the very highest points. In our opinion, there are only two real Unc's of this type (and only one of this date) in collectors or dealers hands. Both coins are in the collection of Leland Rogers. Of all the so-called proofs and Unc's of this type offered in the past five years, this is the only one we have considered to be even strictly AU! This is easily the finest small eagle half dollar to be offered for sale in the past five years. The dealer we purchased this from graded it Gem Unc and second finest known. We agree with the latter part and we are proud to offer this coin properly graded as Choice AU. When you see the coin you'll realize that our price is very reasonable. . . . . 40,000.00  
 1806 PT.6, STEM THROUGH CLAW AU(50). Lustrous, but weakly struck on the obverse as usual. . . . . 550.00  
 UNC.(60). Attractively toned. A choice coin with gorgeous lustre and even natural toning. Fairly well struck for this notoriously weak issue. No major bagmarks or impairments of any kind. A beautiful coin, worthy of the finest collection. . . . . 4,950.00
